Part B: Evaluation of compliance with Slovak Accreditation Agency for Higher Education standards and criteria for the study programme

Self-assessment of Standard 2 – Proposal of a new study programme and a proposal of a study programme modification

SP 2.1 The proposal of a new study programme or a modification of the study programme is elaborated and submitted by the formalized processes of the internal quality assurance system of higher education institution (hereinafter referred to as the "internal system"). If the institution does not have an internal system approved, the quality assurance rules are set out directly in a given proposal of the study programme.

According to the documented information provided, the criterion or set of criteria can be considered as (mark only one option):	Deficiencies, in case of partial fulfilment of a criterion or set of criteria
<ul style="list-style-type: none"> ▪ Fulfilled ▪ Partially fulfilled with the need to rectify deficiencies (deficiencies must be in the side column) ▪ Unfulfilled 	- - -

SP 2.2. The study programme is elaborated following the mission and strategic goals of the institution, these are determined in a long-term plan of the institution.

According to the documented information provided, the criterion or set of criteria can be considered as (mark only one option):	Deficiencies, in case of partial fulfilment of a criterion or set of criteria
<ul style="list-style-type: none"> ▪ Fulfilled ▪ Partially fulfilled with the need to rectify deficiencies (deficiencies must be in the side column) ▪ Unfulfilled 	- - -

SP 2.3. There are designated persons responsible for the delivery, development, and quality assurance of the study programme.

According to the documented information provided, the criterion or set of criteria can be considered as (mark only one option):	Deficiencies, in case of partial fulfilment of a criterion or set of criteria
<ul style="list-style-type: none"> ▪ Fulfilled ▪ Partially fulfilled with the need to rectify deficiencies (deficiencies must be in the side column) ▪ Unfulfilled 	<ul style="list-style-type: none"> - - -

SP 2.4. Students, employers, and other stakeholders are involved in the preparation of the proposal of the study programme.

According to the documented information provided, the criterion or set of criteria can be considered as (mark only one option):	Deficiencies, in case of partial fulfilment of a criterion or set of criteria
<ul style="list-style-type: none"> ▪ Fulfilled ▪ Partially fulfilled with the need to rectify deficiencies (deficiencies must be in the side column) ▪ Unfulfilled 	<ul style="list-style-type: none"> - - -

SP 2.5. The study programme is assigned to the field of study, the extent of its content consistency with the concerned field of study is justified. In the case of study programmes combining two fields of study or interdisciplinary studies, the study programme is assigned to the relevant fields of study and the degree of its content consistency with the relevant fields of study is justified.

According to the documented information provided, the criterion or set of criteria can be considered as (mark only one option):	Deficiencies, in case of partial fulfilment of a criterion or set of criteria
<ul style="list-style-type: none"> ▪ Fulfilled ▪ Partially fulfilled with the need to rectify deficiencies (deficiencies must be in the side column) ▪ Unfulfilled 	<ul style="list-style-type: none"> - - -

SP 2.6. The study programme clearly defines and communicates the level of qualification that students acquire upon their successful completion. The qualification corresponds to the appropriate level of education under the qualifications framework.

According to the documented information provided, the criterion or set of criteria can be considered as (mark only one option):	Deficiencies, in case of partial fulfilment of a criterion or set of criteria
<ul style="list-style-type: none"> ▪ Fulfilled ▪ Partially fulfilled with the need to rectify deficiencies (deficiencies must be in the side column) ▪ Unfulfilled 	<ul style="list-style-type: none"> - - -

SP 2.7. The study programme clearly defines a graduate's profile. Within its framework the descriptors define the learning outcomes that are verifiable and appropriate to the institution's mission, to the given level of the qualification framework, and to the subject field according to the relevant field of study or a combination of fields of study in which graduates obtain their higher education degree.

According to the documented information provided, the criterion or set of criteria can be considered as (mark only one option):	Deficiencies, in case of partial fulfilment of a criterion or set of criteria
<ul style="list-style-type: none"> ▪ Fulfilled ▪ Partially fulfilled with the need to rectify deficiencies (deficiencies must be in the side column) ▪ Unfulfilled 	<ul style="list-style-type: none"> - - -

SP 2.8. The learning outcomes and qualifications obtained by completing the study programme meet the sector-specific professional expectations for the pursuit of the profession. The study programme indicates the professions for which the acquired qualification is necessary. This is confirmed by the statements of relevant external stakeholders or by the agreement of the legal entity indicated in the description of the relevant field of study, if required by the description, or by a favourable opinion of the relevant ministry for the delivery of the study programme, in case of a state higher education institution, or in case of a qualification for the performance of regulated professions.

According to the documented information provided, the criterion or set of criteria can be considered as (mark only one option):	Deficiencies, in case of partial fulfilment of a criterion or set of criteria
<ul style="list-style-type: none"> ▪ Fulfilled ▪ Partially fulfilled with the need to rectify deficiencies (deficiencies must be in the side column) ▪ Unfulfilled 	<ul style="list-style-type: none"> - - -

SP 2.9. The professional content, structure, and sequence of the profile courses and other educational activities of the study programme and the conditions for successful completion of the study enable the learning outcomes specified in the graduate profile to be achieved and ensure the access to the latest knowledge, skills, and competences, including transferable competencies that affect their personal development and that can be used in their future careers and life as active citizens in democratic societies. In case of professionally oriented bachelor's degree programmes, the content of the study programme is designed to enable the achievement of the employers' expected learning outcomes with an emphasis on the development of practical professional skills in the given sector of the economy or social practice.

According to the documented information provided, the criterion or set of criteria can be considered as (mark only one option):	Deficiencies, in case of partial fulfilment of a criterion or set of criteria

SP 2.10 The study programme has a standard length of study, a specified workload for each study subject expressed in ECTS credits, and hours of face to face teaching, except where the nature of the educational activity does not require it. The standard length of study, workload, and hours of contact instruction allow learning outcomes to be achieved and they correspond to the form of the study programme.

According to the documented information provided, the criterion or set of criteria can be considered as (mark only one option):	Deficiencies, in case of partial fulfilment of a criterion or set of criteria
<ul style="list-style-type: none"> ▪ Fulfilled ▪ Partially fulfilled with the need to rectify deficiencies (deficiencies must be in the side column) ▪ Unfulfilled 	<ul style="list-style-type: none"> - - -

SP 2.11 In the case of a professionally oriented bachelor's degree programme, their content includes the compulsory professional practice of students in a contracted organization for a total of at least one semester. The practice is designed to develop practical professional skills. It enables students to undertake activities through which they acquire the work procedures typical for the relevant level of qualification and the relevant field of study. It allows students to participate in professional processes, projects and through specific tasks acquire, knowledge, skills, and competencies relevant for the respective professions. The professional practice may be carried out as continuous or divided into several shorter periods, depending on the needs of the relevant study programme and the conditions of the cooperating organization in which the professional practice takes place.

According to the documented information provided, the criterion or set of criteria can be considered as (mark only one option):	Deficiencies, in case of partial fulfilment of a criterion or set of criteria
<ul style="list-style-type: none"> ▪ Fulfilled ▪ Partially fulfilled with the need to rectify deficiencies (deficiencies must be in the side column) ▪ Unfulfilled 	<ul style="list-style-type: none"> - Not relevant for this case - -

SP 2.12 The study programme has a clearly defined level and nature of research/artistic/other activities required for the successful completion of studies, especially concerning the final thesis.

According to the documented information provided, the criterion or set of criteria can be considered as (mark only one option):	Deficiencies, in case of partial fulfilment of a criterion or set of criteria
<ul style="list-style-type: none"> ▪ Fulfilled ▪ Partially fulfilled with the need to rectify deficiencies (deficiencies must be in the side column) ▪ Unfulfilled 	<ul style="list-style-type: none"> - - -

Self-assessment of Standard 3 – Approval of the study programme

SP 3.1. The study programme is approved by the formalized processes of the internal system. The study programme assessment and its approval, involving students, employers, and other stakeholders, is guaranteed to be independent, unbiased, objective, professionally based, transparent, and fair. The persons assessing and approving the study programme are guaranteed to be different from the persons preparing the study programme proposal.

According to the documented information provided, the criterion or set of criteria can be considered as (mark only one option):	Deficiencies, in case of partial fulfilment of a criterion or set of criteria
